A born leader wields ultimate power.

Ultimate jobs call for ultimate power.
Enter the Rhino® FL20 NITRO 20' Flex-Wing Rotary Cutter. Built tough, it dominates the field with the industry's highest rated gearboxes and largest wing drivelines as standard features. Factor in the highest cutting capacity in its class (vegetation up to 4 1/2" in diameter) plus a 5-year limited gearbox warranty and you have one heck of a cutter. Tough. Fearless. And dependable. The FL20 NITRO from Rhino. Grass and brush have finally met their match.

240" Cutting Width • 325 HP Divider • 285 HP Outer Gearboxes • Easy Clean "Tuff-Hide" Deck Protective Deck Rings • Reinforced Blade Carriers

ALWAYS ON THE CUTTING EDGE...

Get the combine you need.
Leave the maintenance and expense to us.

- Field-ready, late-model John Deere & Case IH combines.
- Only pay for the time you're using it.
- Confidence that the combine will be delivered and ready when you are.
- Peace of mind that any unexpected maintenance will be handled quickly at no expense to you.
- Crop loss provisions for drought-and hail-stricken areas.

Call 1-888-272-3323 or visit www.machinerylink.com to check availability for this harvest.
